Our centuries, Hindustan-Bharat-India has been fortunate to have some outstanding Gurus / Acharyas/ Teachers, who were instrumental in raising and nurturing students, some of those who achieved unparalleled greatness. We have a rich legacy of ancient Guru- Shishya bonding. Since ages our country has produced the greatest teachers, preachers of unimpeachable integrity, who were not just intellectual giants but also provided moral, ethics and intellectual leadership of a rare quality to our country. They were widely loved and respected as their teaching was infused with a high degree of idealism, passion and selfless service. Many of them did not limit themselves to just imparting knowledge but also shaped the values and ideals of modern Hindustan-Bharat-India by leaving a deep imprint on our society.

India also has a long and rich tradition of bonding between teacher and disciple. It is the innate nature of our country to churn out one success story after other of the Guru-Shishya Parampara from all walks and streams of life. Vandaniya Rashttra Saint Tukadoji Maharaj is one of them a universal Guru. Who tackled not only the villagers but also each and every person through his Jeevan Sangeeni the one and only 'KHANJIREE' by his devotional songs (BHAJANS) which are composed and sung by himself. We adopting an inclusive approach where the rural-urban students will share a common platform, discussing variety of musical ideas and issues. As every we continue to believe in the power of education and morality in arousing the national consciousness. It is our bounden duty to provide an integrated education to the youth of Hindustan-Bharat-India, that can produce students who will not only be intellectually equal to the best of their fellow students in other parts of the world, but will also live a noble life, love their country and be loyal and sensitive to the every community and society they represent.
