About Sanskrit Department

The department of Sanskrit has began in year 1938 in this college.the aim of the Sanskrit department is to make the students aware of our Ancient knowledge and encourage them to study similarities and differencesn between Indian languages and Sanskrit.We have Aim of bringing our students more near to our culture and have a thorough understanding of these ancient language,which is mother of founder of all our languages which we are using now in our daily communication. We have Introduced Sanskrit to the students who don't have Sanskrit subject earlier and unveil various aspects and shades of languages and literature like poetry,Drama etc.The department runs two subjects that are compulsory Sanskrit and Sanskrit literature. The Teaching faculties who had contributed for th enrichment of students were Dr.Bapurao Joshi 1938 Prof.P.R.Dadegaonkar,Dr.Archana Lal Singh(1980-2017),Now Dr.Vedanjali Kale join in 2017 Incharge Department of Sanskrit.

About Sanskrit Subject

Sanskrit has been the soul of india and the crowning glory of its heritage for thousand of years.it has been a language of culture and manners and has also gained prominence in the entire world for its scientific nature and use. It is called the mother of Indian Languages and the most ancient language of Indo European family. Allmost all Indian Languages such as Tamil,Telugu,kannada,Bengali,Assamese, Gujrati,Punjami And Marathi Have been derived from Sanskrit.We must believe in the dictum Sanskrit Is our Heritage and work Diligently towards making sure that we honour its history as well as its scholars. It is the language of our intellectual tresuare.
