**Participation In National Workshop On “Development of Classical Music: Past Present & Future”.**

**Organized Online Guest Lecture on 31 August 2021 on Topic “Environment Protection: Need of the Day.”**

### **About Department: -**

Department of Zoology was established here in pre - independence year 1938. After the increased strength of students, science faculty got separated as a science college and continued in other sister colleges of our society. Later on, the increase in demand of quality education for students, The Department of Zoology re-started from session 2016-17 with the objective of imparting quality education in the field of Zoology.

Department has a well-equipped Zoology laboratory.

We have ICT enabled laboratory. Students can easily interact with teachers and staff. Department organized various activities for the students like poster presentation, seminar, quiz, project competition.
