सीताबाई महाविद्यालयात ऊर्जा बचतीवर व्याख्यान

प्रतिनिधी/१ एप्रिल

अकोला: स्थानिक सीताबाई कला, वाणिज्य व विज्ञान महाविद्यालयात 'पृथ्वीवरील एक तास' या उपक्रमांतर्गत एनसीसी युनिटतर्फे 'ऊर्जा बचत काळाची गरज' या विषयावर व्याख्यान आयोजित करण्यात आले. या कार्यक्रमाप्रसंगी प्रमुख वक्ते म्हणून सीताबाई महाविद्यालयातील इंग्रजी विभाग प्रमुख डॉ. राजू रणपिसे लाभले होते. याप्रसंगी व्यासपीठावर एनसीसी युनिटप्रमुख डॉ. एच. एन. नरेटी यांनी कार्यक्रमाच्या प्रास्ताविकपर भाषणात ऊर्जा बचतीसाठी सुरु असलेल्या विविध उपाययोजनांची माहिती दिली.

ऊर्जेशिवाय मानवाच्या अंतरंगात साठलेली ऊर्जा अनन्यसाधारण असून देशाच्या प्रगतीसाठी ऊर्जेची अत्यंत आवश्यकता असते. परंतु, ऊर्जेची निर्मिती व मागणी यामध्ये तफावत येत असल्यामुळे ऊर्जेचा तुटवडा जाणवू लागला आहे. यावर काहीअंशी मात करण्यासाठी ऊर्जेची बचत ऊर्जेची निर्मिती असल्याचे प्रतिपादन डॉ. राजू रणपिसे यांनी केले. ते पुढे म्हणाले की, प्रत्येक व्यक्तीने ऊर्जा बचत करणे हे आपले कर्तव्य आहे असे मानून छोट्या छोट्या गोष्टीपासून ऊर्जा बचत केली पाहिजे. विजेची बचत केल्यामुळे हीच बीज शेती उद्योगधंद्यांना वापरता येऊ शकते, असे डॉ. रणपिसे यांनी म्हटले. कार्यक्रमाचे संचालन योगेश निकाडे यांनी तर आभार पल्लवी निपाने यांनी मानले.

Tobacco Free Educational Institution Program conducted by National Service Scheme and District Tobacco Control Room

The department National Service Scheme of Sitabai Arts, Commerce and Science College and Tobacco Control Room conducted a tobacco free program that was held in the college premises. On this occasion, the principal of the college, Dr. R. D. Sikchi and College Development Committee Chairman Shri Rupchand Agarwal appealed to the students that they should stay away from tobacco related products. Under this discussion 'Yellow Line' initiative has been started to show a tobacco prevention zone in the 100 yard area of college. The initiative was launched across the state. In Akola district, 49 schools and colleges premises have been declared as tobacco prohibited areas and yellow lines have been drawn on the main roads. Along with schools in Akola, a 'Yellow Line' will also be set up in the hospital premises. The Tobacco Free School Campaign is being implemented under the National Tobacco Control Program. Under this, the Yellow Line initiative was supposed to be implemented in the school premises last year, but schools across the state were closed due to corona. Now almost all the schools have started. In that connection, Yellow Line initiative was taken up across the state. The 'Yellow Line', which reads 'No Tobacco Prohibited Area' in school premises, was struck for identification. This initiative has been undertaken in Akola and other districts of the state also. Awareness is being created among the students by putting up billboards on the harmful effects of substances. This initiative was started from Sitabai Arts College in Akola. District Coordinator of Tobacco Control Program Dhammasem Sirsat and his team is working on this. The event was graced by the Dr. R. D. Sikchi Principal of the College, Chairman of the College Development Committee, Shri. Roopchand ji Agrawal, Dr. Prasannajit Gawai, Dr. Kailash Wankhade, superintendent Neelkanth Ingle, Government Contractor Shri Yogesh Surve. VISIT TO AN OLD AGE HOME
ACTIVITY REPORT (Session- 2020-2021)

The Department of English, Sitabai Arts, Commerce and Science College, Akola visited an old age home "Matoshri" located near the outskirts of Akola on 26th January, 2021. As a part of extension activity, the Staff and students of the department participated in the visit . The purpose behind this visit was to help the Senior citizens in all the possible ways the students could. Nearly 42 aged people dwell there in the age group of 50 to 75. The students distributed food packets among them. They shared their emotions with them, which left them feeling shattered and nostalgic. The objective of the visit was to sensitize students to the difficulties and problems of homeless, aged people. An attempt was made to make the students realize their social responsibilities towards senior citizens. 4 members from the staff and 20 students participated in it.

VISIT TO A SCHOOL FOR THE BLIND

ACTIVITY REPORT (Session- 2020-2021)

The Department of English, Sitabai Arts, Commerce and Science College, Akola visited K B Vora school for the blind on 30th January, 2021. As a part of extension activity, the Staff and students of the department participated in the visit . The purpose behind this visit was to help the visually impaired students in all the possible ways. Nearly visually impaired students are enrolled in the school. The classes consist of the standard... learning to read and write in Braille, mathematics, geography, typing, etc. Some of the children are blind since birth, whereas others, are blind from trauma or a severe Vitamin A deficiency.

It was a school just like any other, only that the **materials used there were different**. They used materials like **braille to read** and write. All of the students had **lead sticks**, the pavements also were made in a manner that was blind friendly. Their normal textbooks were converted into braille texts and touching those dots they were able to recognize the letters and read fluently. Their sense of touch meant them everything. Dedication of the administration along with the teachers was personified when we witnessed individual attention being administered to each and every child in the school. It was one of the most heart touching experiences. The students distributed food packets among them. They shared their emotions with them, which left them feeling shattered and nostalgic. The objective of the visit was to sensitize students to the difficulties and problems of blind and visually impaired people. An attempt was made to make the students realize their social responsibilities towards the blind and visually impaired people. 4 members from the staff and 20 students participated in it.

Literacy Campaign

Sitabai Arts, Commerce and Science College, Akola through the Extension Committee has organized one day program on men-women Literacy and awareness on dated 12/11/2020.

This program aimed at creating the ideal in form of the social reformist and educationist like Mahatma Jyotiba Phule and Krantijyoti Savitribai Phule while working in the field of education. It was guided how to work in the line of proper propagation and development of education in the depressed section of the society.

In order to change the life course with the help of education how it is important to plan and act upon that planning was the base of guidance. It was also stated that life without education is the life in the darkness. it is the education that bring light into our life. Hence, it is said that there is no alternative to education for improvement in life standard. Neglecting the age hurdle, each one should try to acquire the right to education. They should know the advantages of this right to education for their future generation. With the help of education they can overcome the family problems. They can find new options to live a life of honour and dignity in the society.

Shri Mahadeorao Hurdade, President, District Seva Samitit, was the chief guest of this program. Likewise, Shri Dabhade from, district labour Welfare department was also present. 230 students and their parents as well as teachers and non-teaching staff memebtrs were present for this program. The program continued 1.30 hours and ended with the national anthem.

**SITABAI ARTS, COMMERCE AND SCIENCE COLLEGE, AKOLA
ORGANIZED MEDITATION CAMP ENTITLED "SAHAJYOG
DHYAN SHIBIR".**

Sitabai Arts, Commerce and Science College, Akola's Extension Committee and Sahajyog Dhyan Centre, Akola jointly organized "Sahaj Yog Dhyan Camp" for this students' all round development and to bring about change and to import the importance of meditation in human life. This one day camp was organized on dated January 7, 2022 in the college campus. In this meditation camp to present the valuable guidance, Principal, Dr Smita Singrup of Smt. Meherbanu College, Akola and Dr Vartika Srivastava, Principal of Bhikamchand Khandelwal College, Akola were the special guest of honour among the invitees. Both the scholars guided the students emphasizing the importance of meditation. They stated how to perform meditation in proper way?, what are the advantages of meditation?, How we can develop our mind and thinking level with a proper meditation practice?"

They also stated that if we could perform meditation continuously, consistently with proper planning and start, we can help to bring change not only in our personal life but also it helps to open new channels for social development. The meditation program helps to bring behavioural change such as we can control our anger, defeat false pride in oneself. Likewise, we can experience the balanced thinking, show stability of mind and peace in life. They also showed the demonstration of meditation to explain the benefits of meditation. It is found that in this busy routine of today's life, we find no man and even the students today who are able to communicate properly. They are victim of many bad habits and manners. Even they are not constant and consistence. They feel insecure and disabled due to the instability in their life they like the confident and show no sign of positive action and speech. They lose mental control very easily and sometimes do anti-social activities. They are

unable to differentiate between what is good and what is bad. Therefore, for removal of such limitations and evil in life, meditation is the only best and proper solution. We can defeat the evil by improving our decision making power. Thus they put forth the significance of meditation in life. In the above program there were 300 students and all the stop of the college present which was continued for 2 (two) hours. The interaction session of this program became very interesting part, in which the students asked their questions and they got their queries satisfied by the answers of the experts. They feel fully satisfied after this program was over. This program was organized by professor Dr D R Elalkar, head, Department of Music and Chairman of Extension Committee of the college. The program was ended with national anthem.
